

Riddles

Stub a toe or skin a knee
When you're hurt, you might take me.
What am I?

People who use me can't run far
Because their lungs fill up with tar.
What am I?

All you feel is a prick
And then I keep you from getting sick.
What am I?

I'm found in sodas, coffee, and tea
Do you know my name?
I'm called _____.
