

## Tangram Puzzles

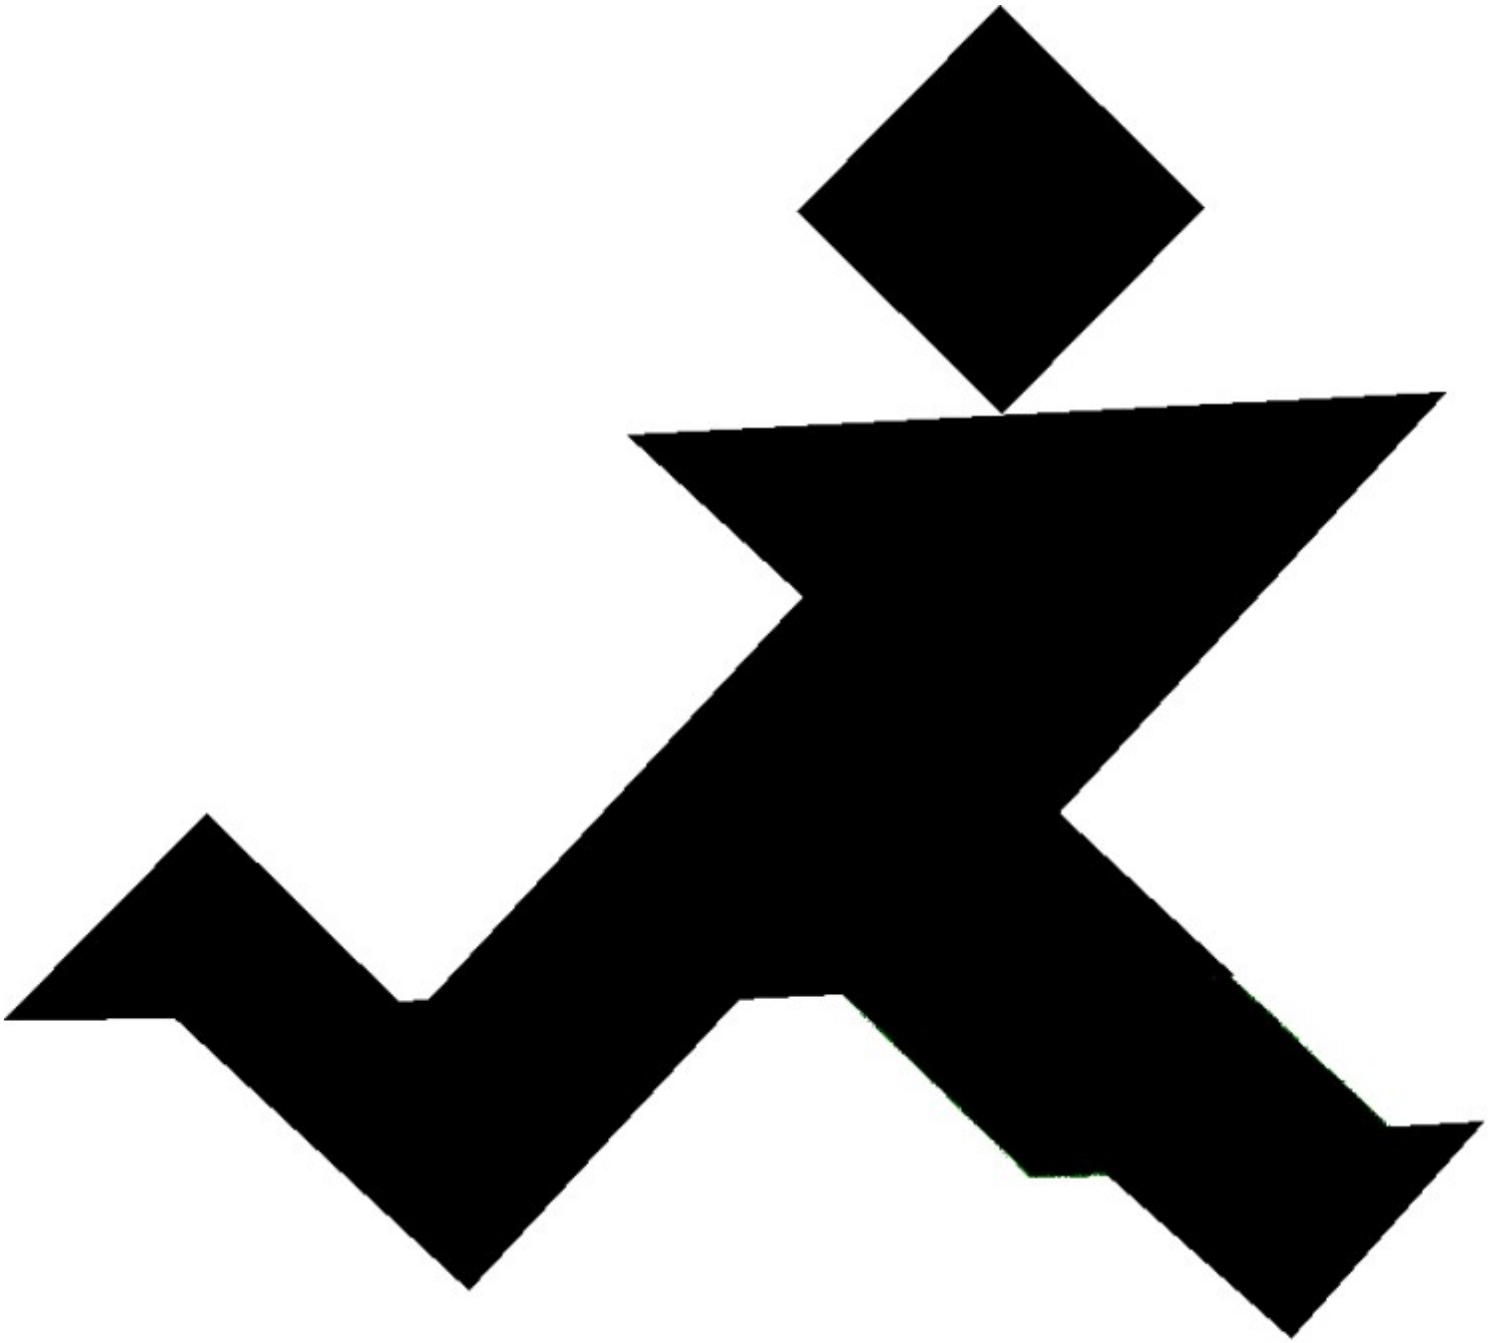

Print out these pages. Then, cut out the square below and cut out the shapes inside the square.

Use these shapes to make the pictures on the following pages.

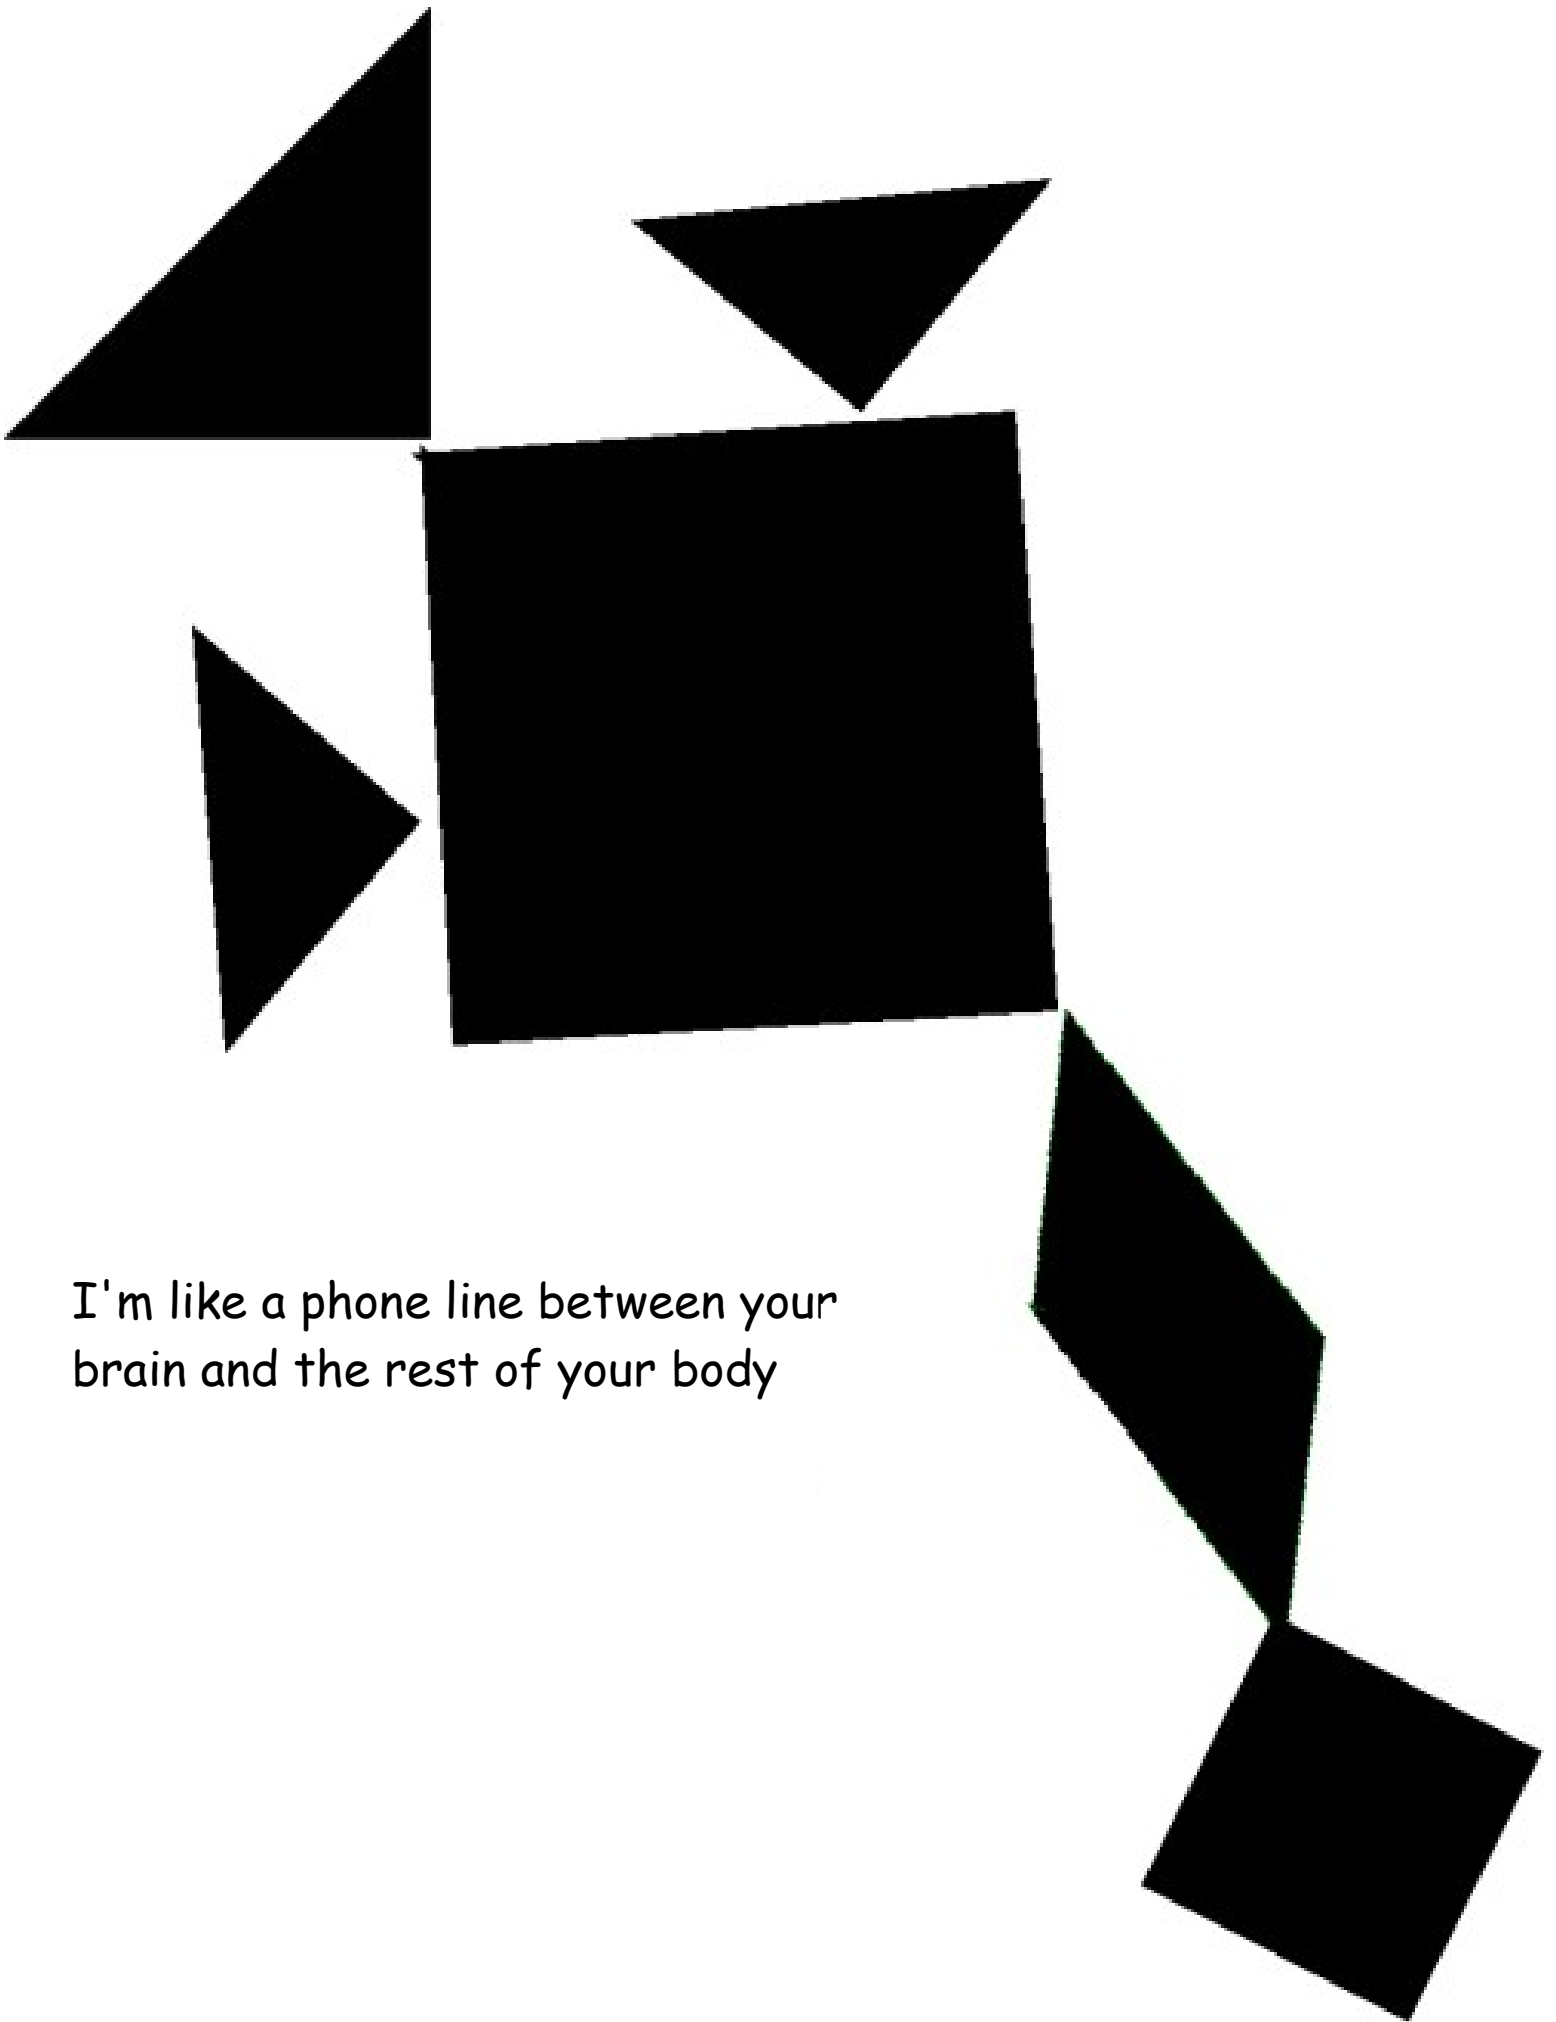

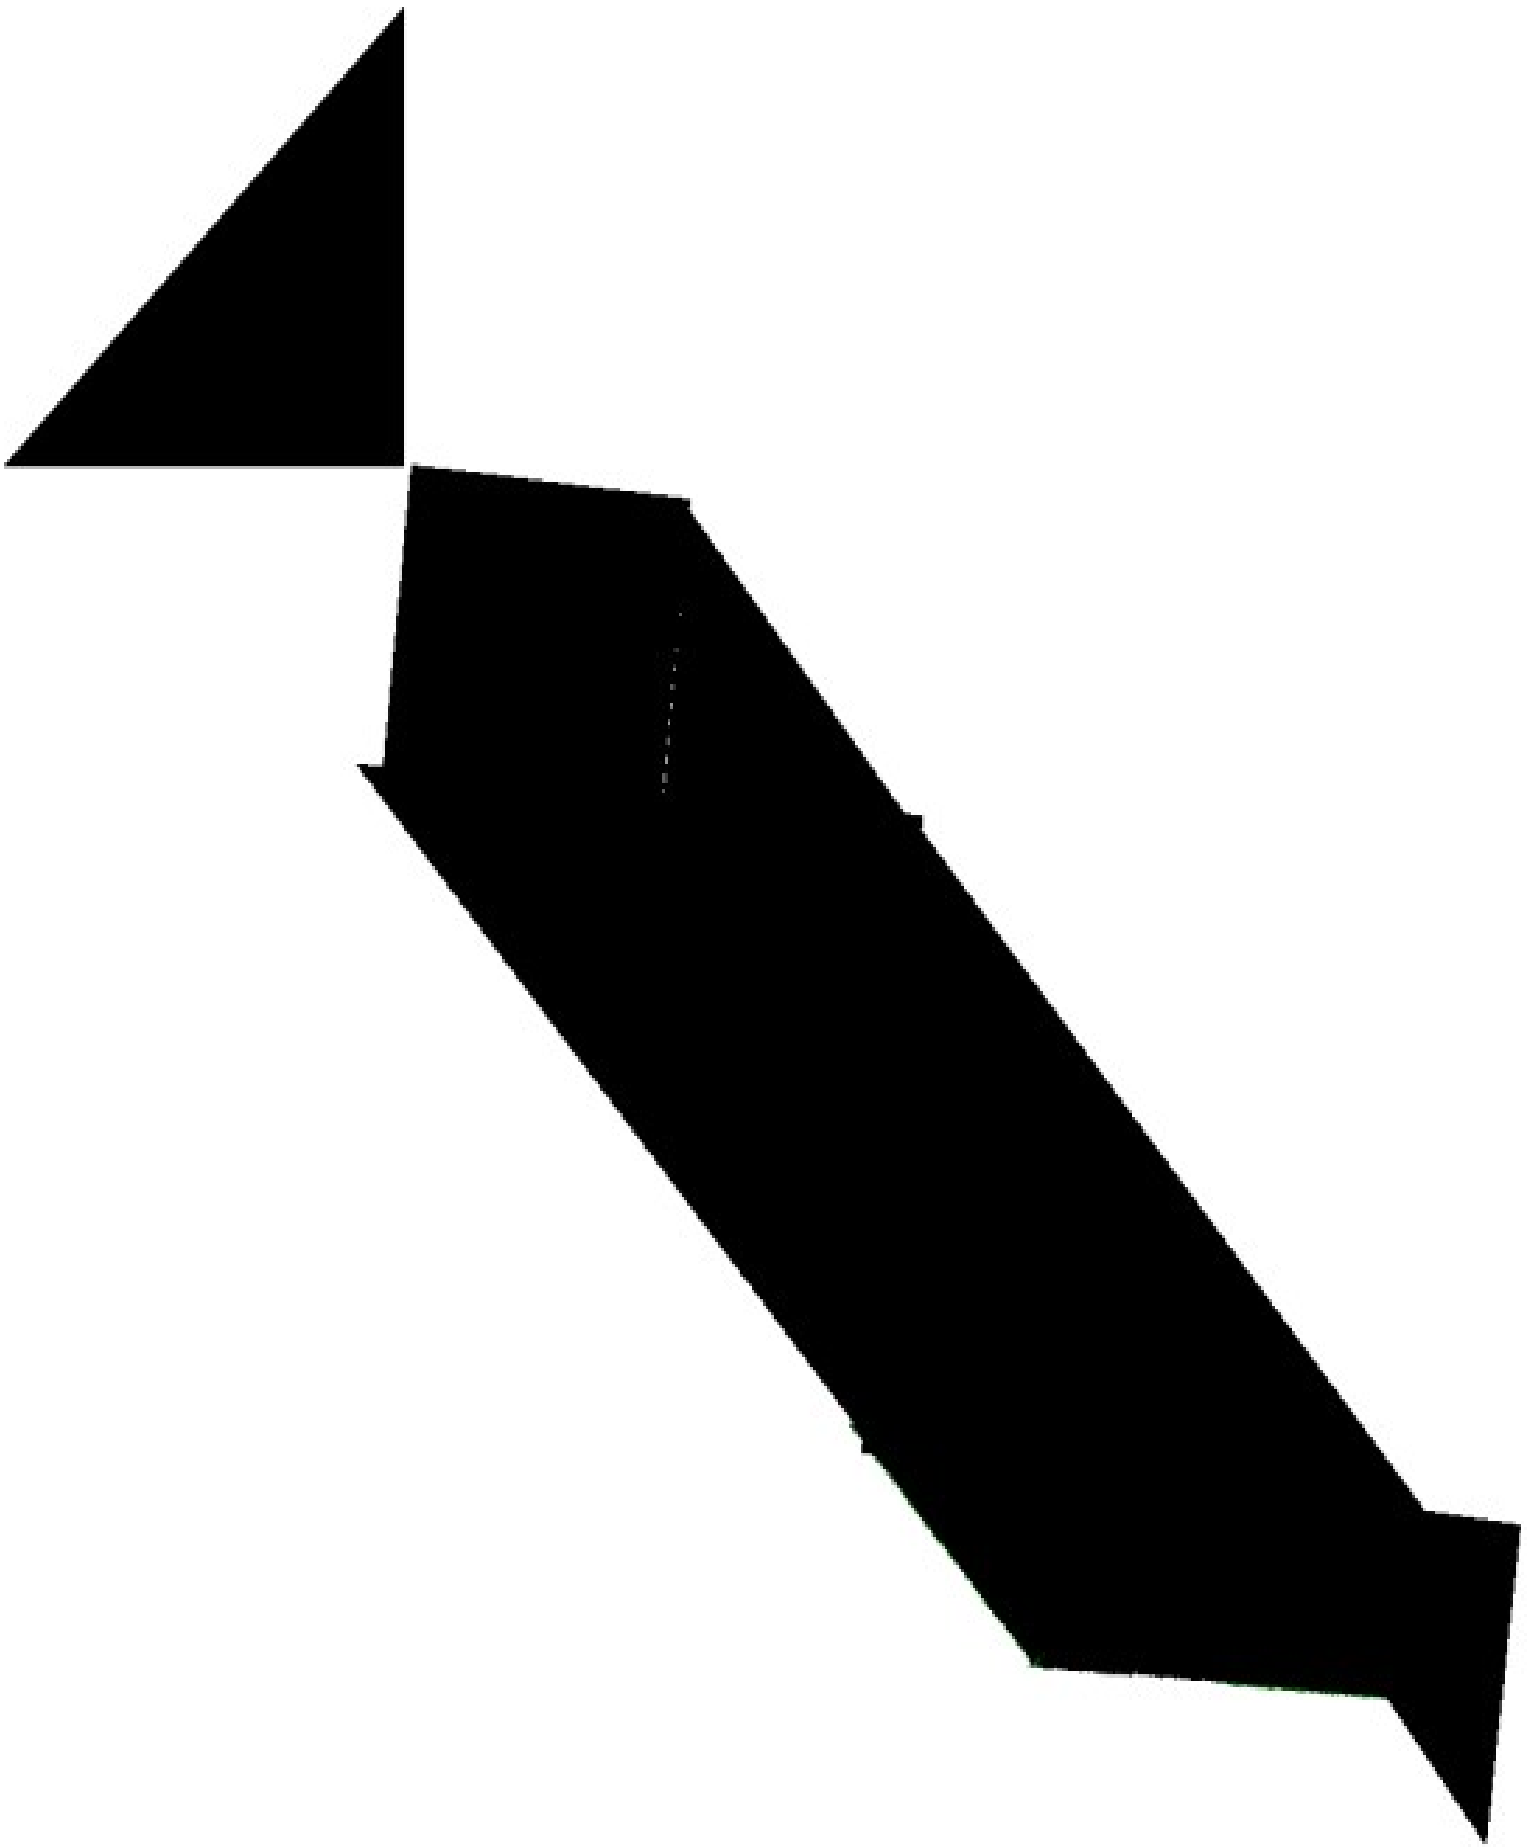

Use me to observe things!

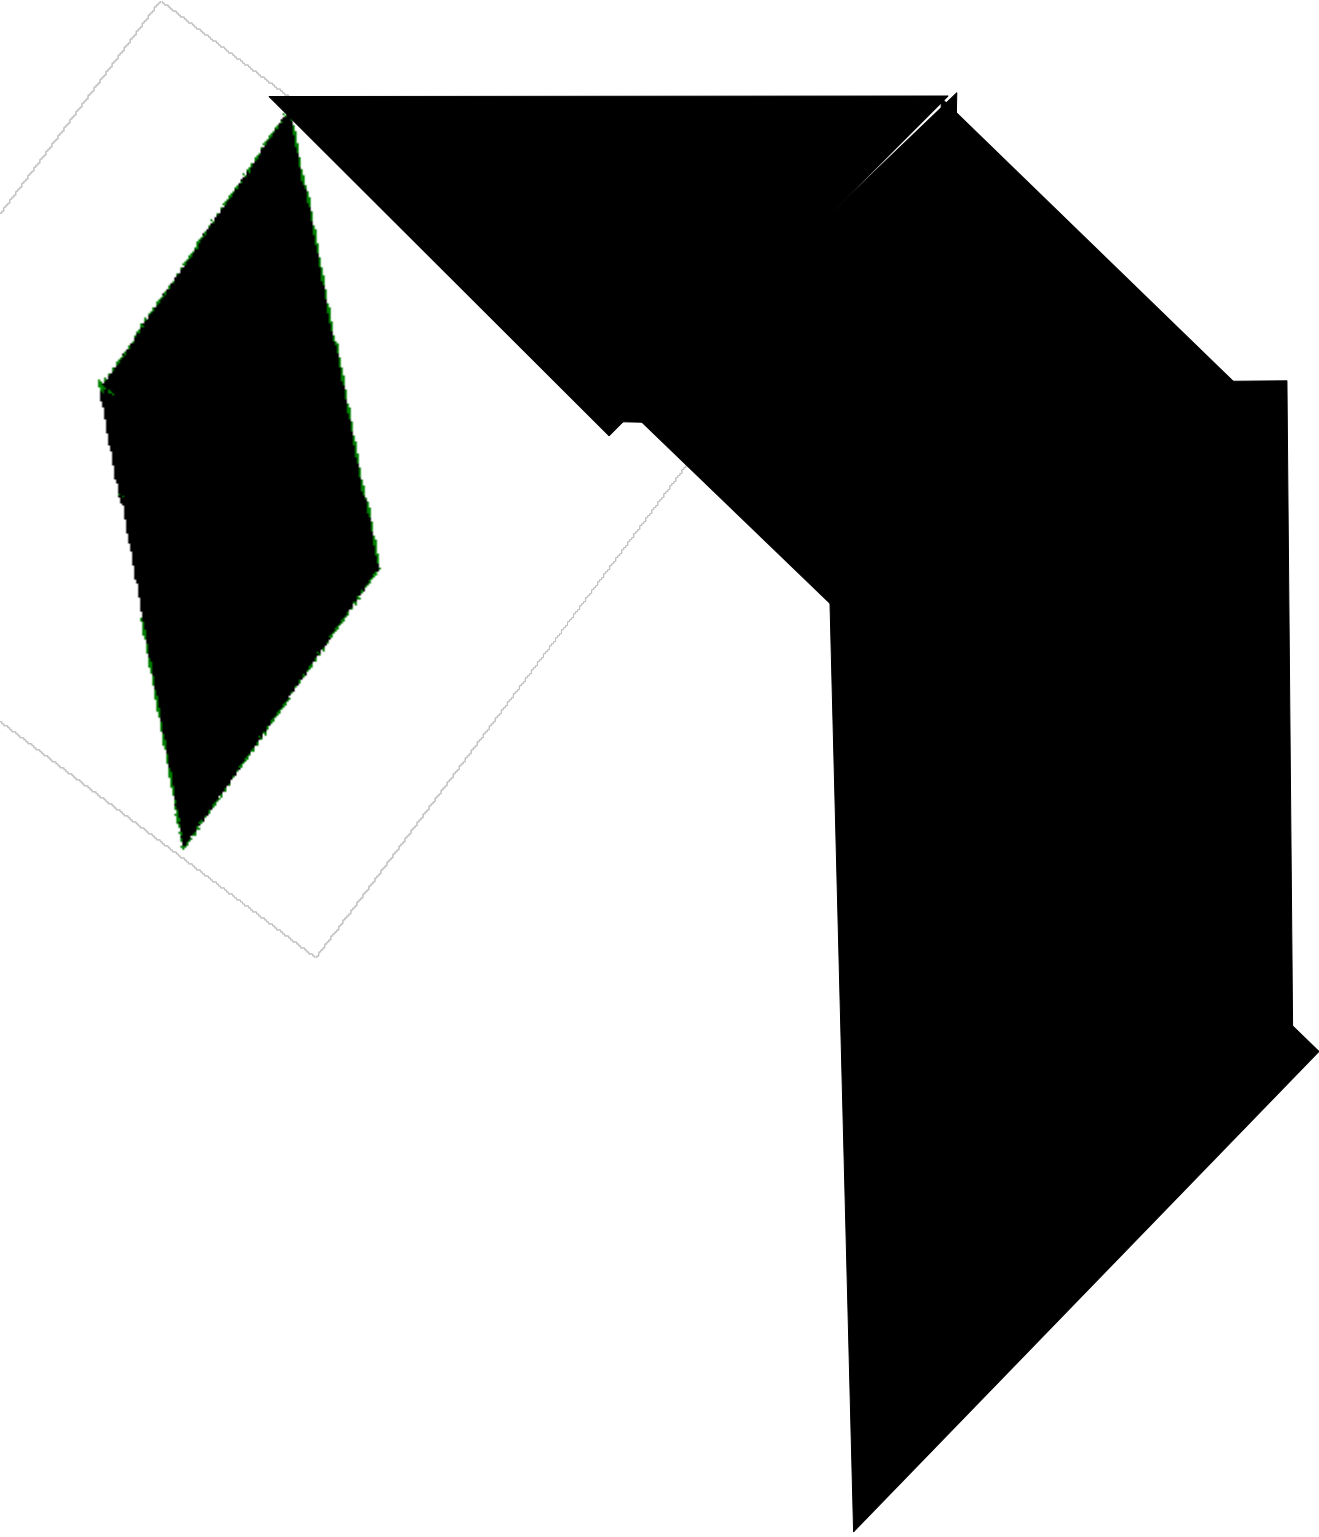

Do this to keep you brain and body healthy!

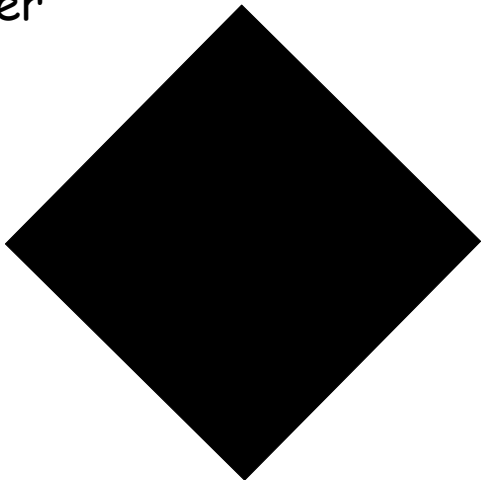

I'm like a phone line between your  
brain and the rest of your body

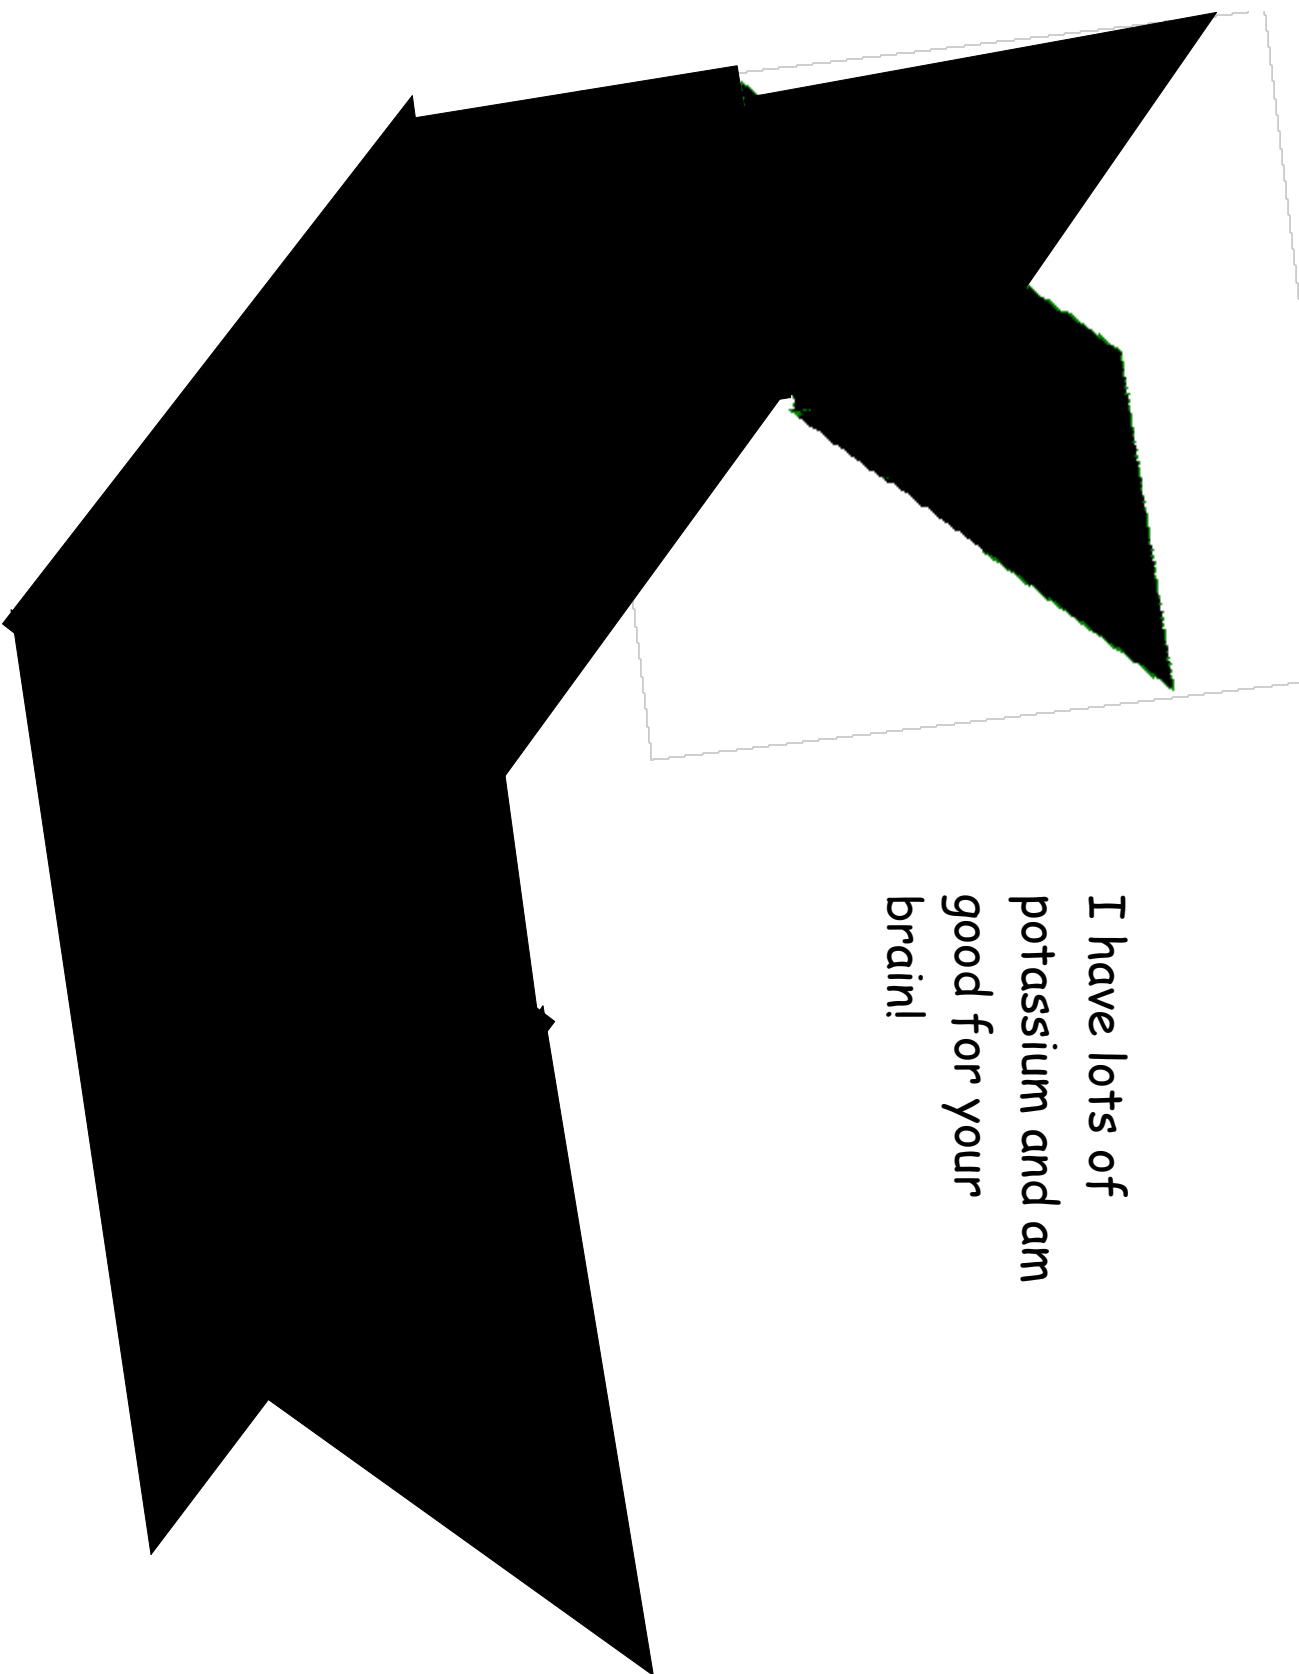

I have lots of vitamins- and I taste good too!

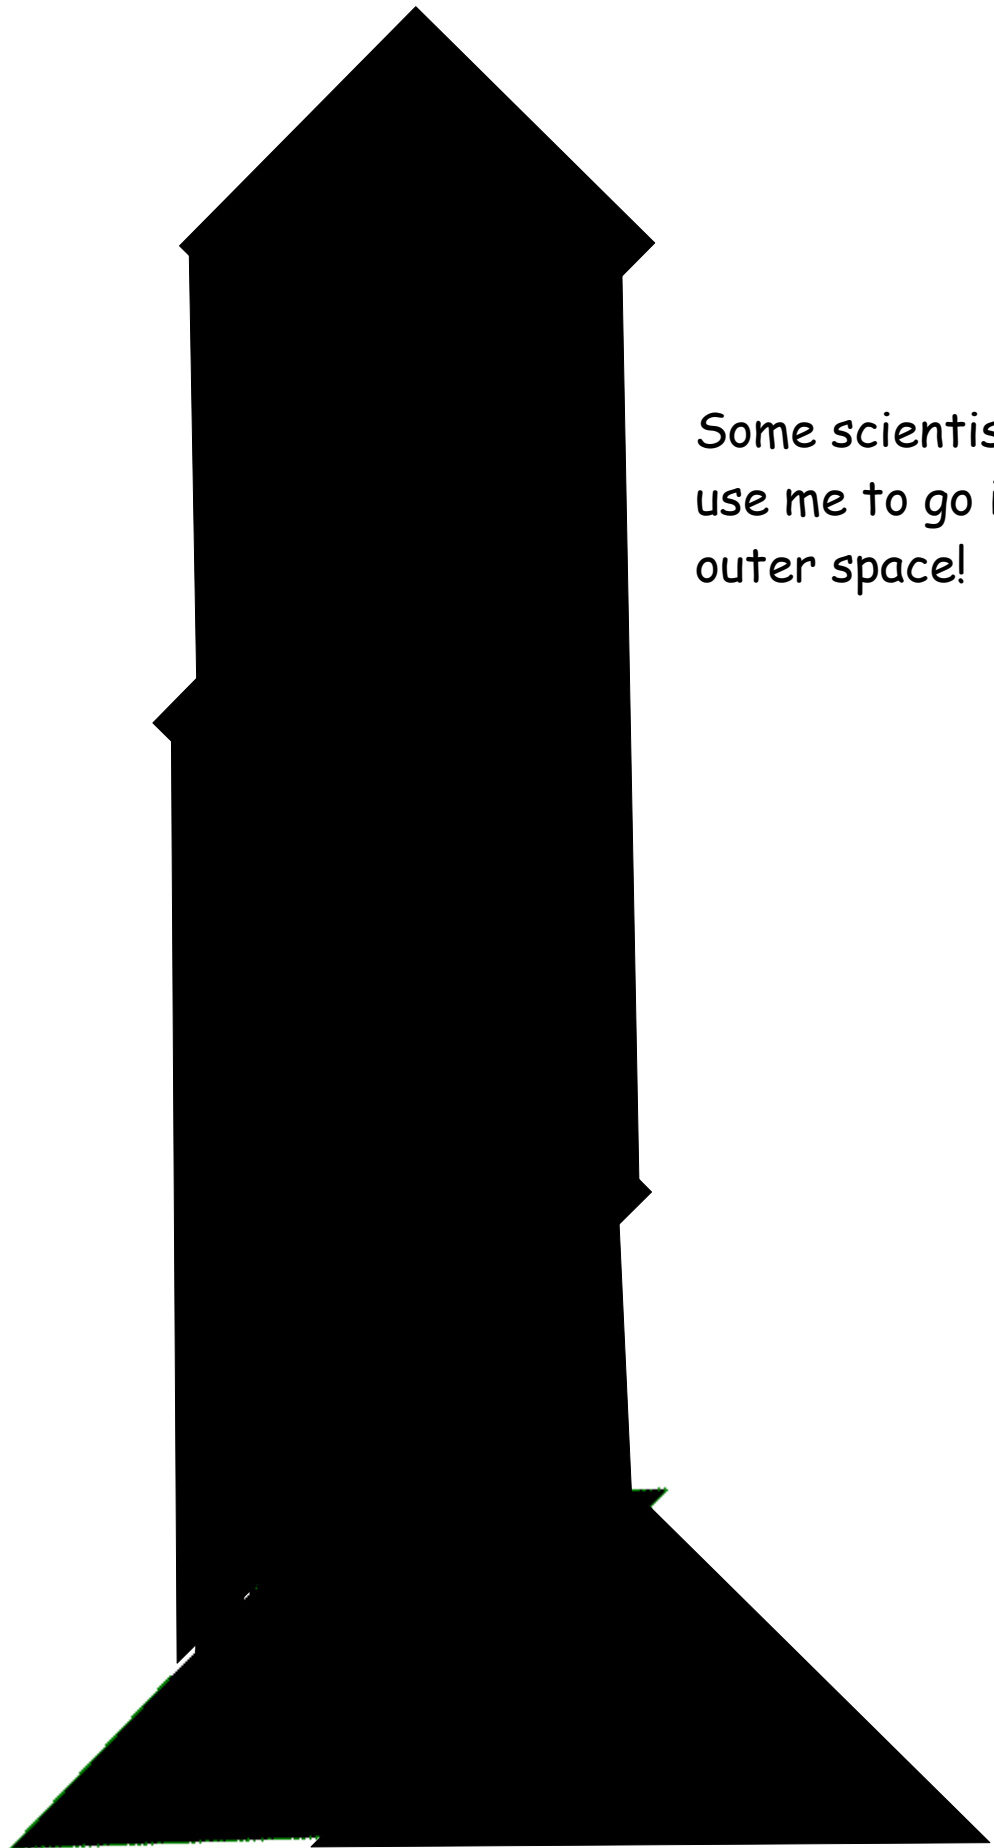

Scientists use me whenever  
they ask questions.

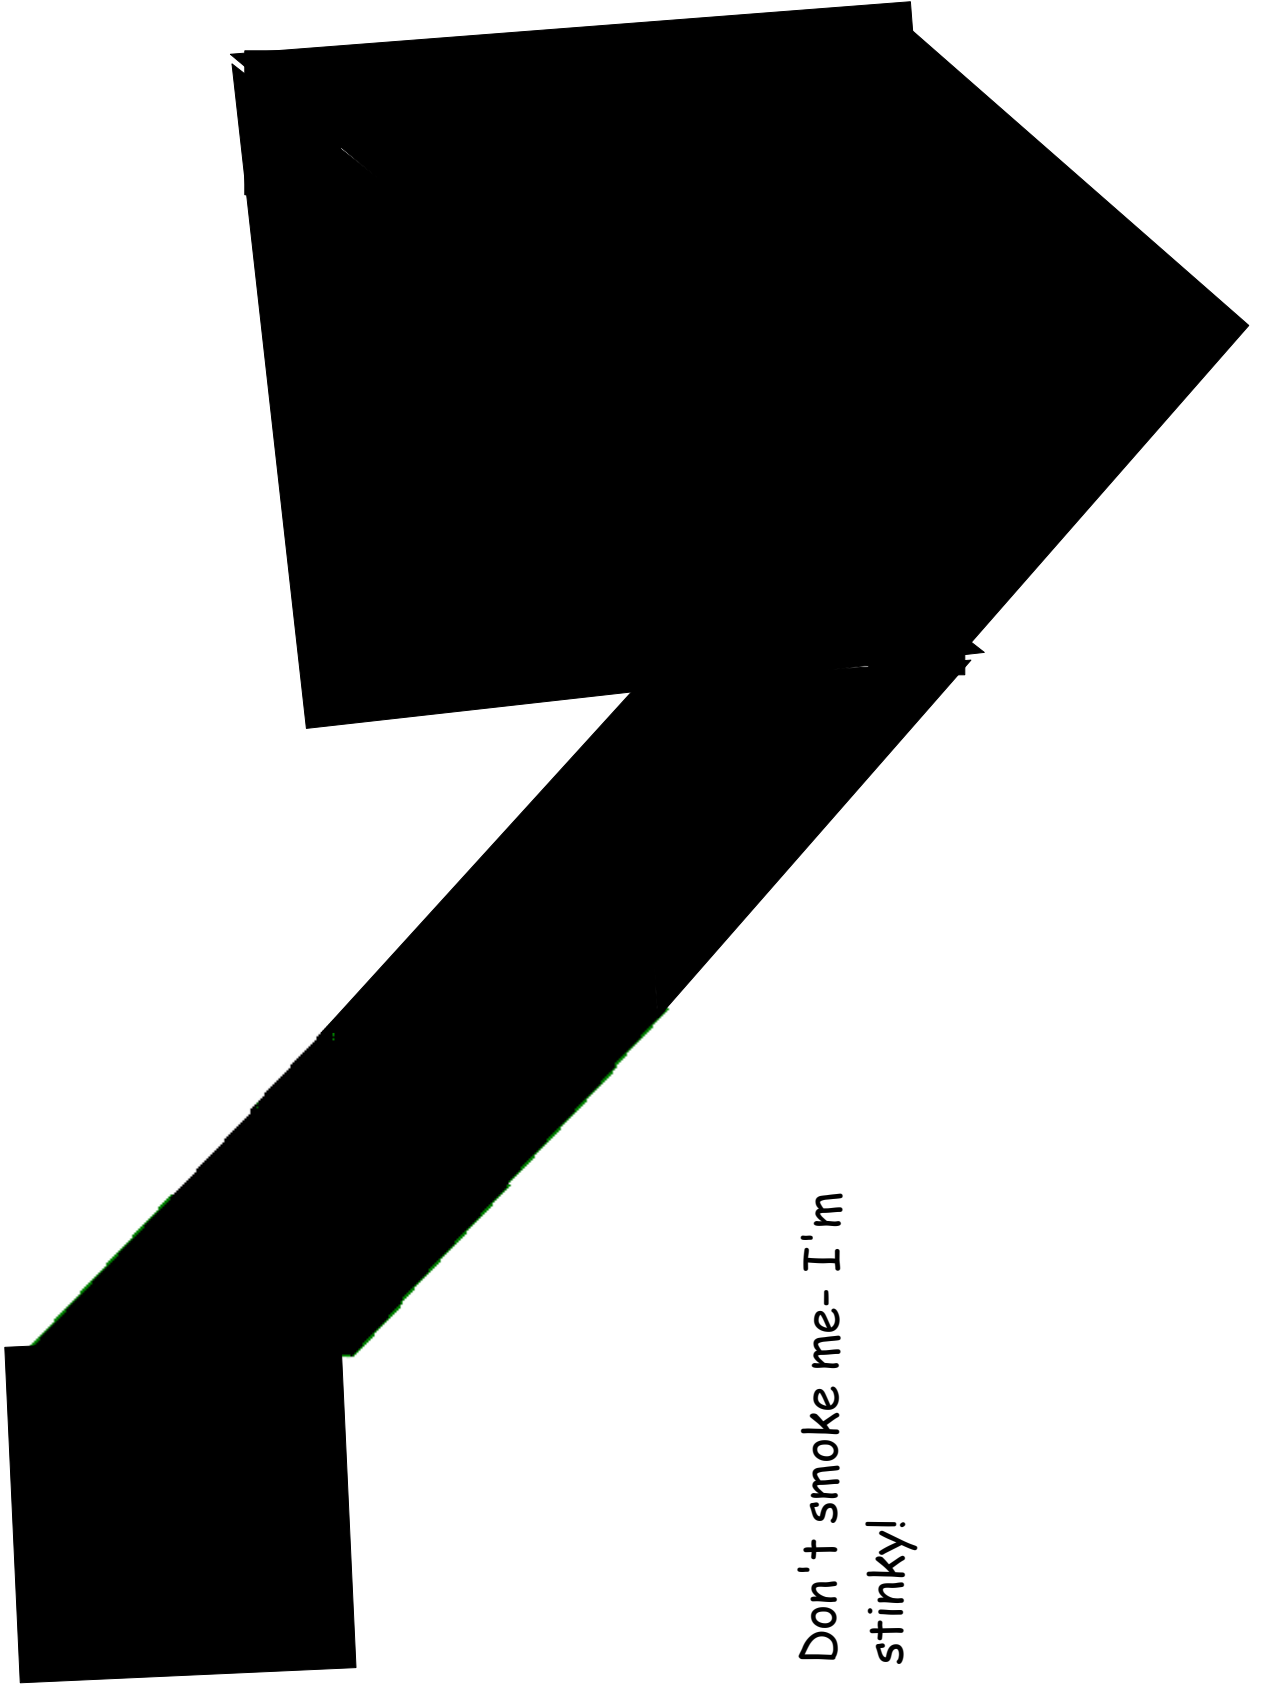

I have lots of  
potassium and am  
good for your  
brain!

Some scientists  
use me to go into  
outer space!

Don't smoke me- I'm  
stinky!
